International students wishing to transfer between providers must do so in accordance with the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (**National Code**) and ASA’s requirements.

ASA will assess each request on an individual student basis, and ensure that transfer requests are considered in view of the following principles:

5. Policy Statement

ASA is committed to providing a high-quality educational experience for all students. ASA recognises that the selection of a provider is an important decision for students and seeks to ensure, prior to enrolling any student, that the offered course at ASA is appropriate for their needs and goals.

International students may need to transfer or change providers during their course and this document details the manner in which such requests will be assessed and processed in a consistent and compliant manner.

Requests to transfer may be from:

- a course at a different provider to a course at ASA (**incoming transfer**)
- one ASA course to a different course at a different provider (**outgoing transfer**)
- one ASA course to another (**internal transfer**)

The National Code places restrictions on transfers from one provider to another within the first six months of an international student's principal course. The first six months is calculated as six calendar months from the date the student commences their principal course. As the principal course of study is generally the final course of study covered by the international student's visa, transfer requirements apply to all courses of study prior to the international student's principal course.

Students are requested to note that there are no fees associated with requests for transfers. However, any student requesting a transfer is advised to consider the *ASA Student Fees, Charges, and Refund Policy* and associated procedure and the relevant policy at their current provider, for the circumstances in which refunds of fees and charges may be granted.

6. Incoming Transfer

6.1 Grounds

Applicants may request to transfer from a course at a different provider to a course at ASA on one of the following grounds:

- a. the applicant has completed the first six months of their principal course;
- b. the other provider, or the course in which the applicant is enrolled, has ceased to be registered;
- c. the other provider has had a sanction imposed on its registration by TEQSA that prevents the applicant from continuing their course at that provider;
- d. the other provider has agreed to the applicant's release and recorded the date of effect and reason for release in Provider Registration and International Student Management System (**PRISMS**); or
- e. any government sponsor of the applicant considers the change to be in the overseas student's best interests and has provided written support for the change.

6.2 Procedure

The following process applies for ASA accepting incoming transfers:

If the applicant applies for a transfer on the grounds of 6.1a. or 6.1d. above the standard admissions process applies.

If the applicant applies for a transfer on any other grounds, then the following procedure will

be followed:

1. The applicant or agent contacts the Admissions team via the ASA website and submits an application to enrol in a selected course at ASA.
2. The applicant is required to provide evidence of the grounds for an incoming transfer from their current provider, such as a Letter of Release or other circumstances, to support their application.
3. An applicant may request a Conditional Letter of Offer (which clearly states that an offer of enrolment is subject to the condition that they acquire evidence of a release) to assist them in obtaining a Letter of Release from their current provider.
4. The Admissions Manager reviews the application, in consultation with the Director Student Experience, and determines an outcome. If no satisfactory evidence of release is obtained, the application process is discontinued and the student informed that they are unable to transfer at that time.
5. The Admissions Manager, or delegate, communicates the outcome to the applicant via email within 10 working days of application.

- g. there is evidence of compassionate or compelling circumstances; or
- h. an appeal (internal or external) on another matter results in a decision or recommendation to release the overseas student.

7.2 Procedure

The following process applies for ASA accepting outgoing transfers:

If the student applies for a transfer on the grounds of 7.1a. above the standard withdrawal process applies. Please refer to the *Deferral, Suspension, and Cancellation Policy and Procedure*.

1. Students are required to submit a Provider Transfer Request Form, along with any supporting documentation. Supporting documentation should provide evidence of one of the grounds listed in section 7.1 of this document. Requests that include a valid Letter of Offer from another provider or evidence that the student remains compliant with broader requirements of the Department of Home Affairs (**DHA**) assist in assessing the request.

The Director Student Experience will assess all requests on a case-by-case basis, considering the circumstances of the student and whether the transfer will be in the best interests of the student. Relevant members of the Senior Management team will be consulted depending on the grounds stated in the request.

6. ASA will not finalise the student's status in PRISM until the grievance process finds in favour of ASA, the student withdraws from the process or the 20 working days elapses.
7. The details of the request to transfer, including the outcome will be recorded and retained in the student's profile for two years after the student ceases to be enrolled at ASA.

8. Internal Transfers

8.1 Grounds

Students may request to transfer from an ASA course to another ASA course on one of the following grounds:

- a. the student's career or other goals have altered since their initial enrolment;
- b. the student's interests/talents are better suited to the alternative course;
- c. the course is being discontinued by ASA; or
- d. there is evidence that the student was misled by ASA or an education or migration agent regarding ASA or the course and the course is therefore unsuitable to their needs and/or study objectives.
