The Bachelor of Professional Accounting offered by the Australian School of Accounting is designed to develop confident, competent, innovative and work-ready graduates with the analytical, conceptual and technical skills to contribute to accounting and business success.

The Bachelor of Professional Accounting will prepare graduates for a diverse range of professional roles in many industries and professional environments, which include:

- **Financial Accountant**
- **Management Accountant**
- **Auditor**
- **Tax Accountant**
- **Public Practice**
- **Financial Officer**
- **Business Analyst**
- **Management Consultant**
- **Taxation Advisor**
- **Teaching**

The primary mode of delivery up to five hours is a combination of face-to-face via Zoom in the following manner:

- **Lecture**
1 hour per week per unit
- **Tutorial**
2 x 1.5 = 3 hours per week per unit
- **Online Discussion Forum questions and answers**
1 hour per week per unit

In the case of less than ten (10) students the following will apply:

- **Lecture**
1 hour per week per unit
- **Tutorial**
1 X 1.5 per week per unit

The mode of delivery is hybrid which is predominantly face-to-face and online via Learning Management System (Canvas)/Zoom with recordings available for later viewing. Online materials are used wherever possible to supplement class-based learning and to maximise opportunities for students to engage in formative assessments, forums, group activities and case study analyses.
