

Statement of Tuition Assurance

1. The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students and eligible domestic students accessing FEE-HELP or a HECS-HELP (HELP) loan, whose education providers are unable to fully deliver their course of study.
2. The Australian School of Accounting Pty Ltd [Trading as Australian School of Accounting (ASA)] is registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) and has approval to deliver its courses to international students as well as to domestic students.
3. The TPS ensures that international students and eligible domestic students are able to either:
 - Complete their studies in another course or with another education provider
 - Or receive a refund of their unspent tuition fees.
4. In the unlikely event that ASA cannot deliver the course a student has paid for and has been unable to find a suitable alternative course for the student, the TPS will help the student find another course with minimal disruption to their studies. If a suitable alternative course is not found, the TPS will refund the tuition fees that have been paid, for the part of the course they have not yet received.
